What to expect at your first rehearsal

♪ Meet your section leader: Your section leader will introduce you to members of your section and provide your music.

♪♪ Meet the treasurer: Sometime before or after rehearsal, you will meet the treasurer to discuss membership dues (\$40 for adults / \$20 for students). You will also need to buy a BOTH shirt to wear at concert performances (\$20/\$23)

🎷 We play a brief warm up together as a group (typically the B♭ scale).

♪ We rehearse several pieces in an evening (upwards of ~7). You don't have to play every note! Play as you are comfortable. We never put individuals on the spot just because they have difficulty with the music.

♪♪ There is a brief intermission around 8:30PM for announcements and water/bathroom breaks. Rehearsal finishes around 9:30PM.

🎷 We greatly appreciate volunteers before and after rehearsal to help rearrange chairs and load/unload the percussion trailer.
